CLAY CITY, KY., THURSDAY, OCTOBER 12, 1922

NO. 41.

Business Conditions

There has been a wonderful increase in building in 1922 over 1921. In Lexington for example there have been 52 permits against only 8 last year. The increase in dollars and cents are so far 114 per cent. over 1921. This sounds good for building, but the farmer who raises meat and bread for us all gets a very poor wage for growing his crops and feeding the masses. He must lose the interest on his investment and pay his tax at a high rate on property bought with borrowed money while the holder of the mortgage gets off with a mere tax pittance, made so small and negligible that he does not feel it.

Bridge Being Repaired

A new floor is being laid on the Waltersville bridge and a new trestle put in on the Waltersville side. Traffic is having to use the old ford while these repairs are being made. The waters were too high Sunday and Monday for automobiles and they had to detour by Powell's Valley and come in on the Irvine road. This bridge has been in a bad condition for quite awhile.

Walter Townsend Dead

Walter Townsend died Friday after ten days illness from meningitis. Funeral and burial at Cat Creek Sunday. He is survived by wife and three children. His wife will go to live with her father, Sam Brandenburg, near Knowlton, this county. Mr. Townsend was a splendid citizen and leaves many friends who seriously regret his passing.

The Ladies' Aid

Mrs. R. L. Tipton entertained the Ladies' Aid of the Methodist church last Thursday at her beautiful country home. Over half the members were present and if the other half just knew what a good time was in store for them, they would be sorry they were not there. The next meeting will be with Mrs. Edmon Burgher, following the first Sunday in November.

Mountz Reunion

Sunday the Rev. J. R. Nelson held regular services at the Methodist church to a large crowd, after which the all went to "Uncle" Joe Mountz's to a family reunion of the Mountz family. Dinner was served on the ground and all had a grand time.

When in need of Tires and Tubes, try one of those \$11.00 Goodyear Cords. They give miles of satisfaction. Joe Mountz.

BIRTHS.

Dr. Martin reports the birth of a son, to Mr. and Mrs. Buford Estes, of Vaughn's Mill, Thursday, October 5th—Buford Jr.

To Mr. and Mrs. George Baber Monday, October 9th, a 10 pound daughter—Ora Frances.

Saturday is Market Day

Clay City's ever-growing market day comes 'round again Saturday. Last market day saw a number of cattle sales and plenty of other business besides. It is hoped that Saturday will see equally as much business as the September market day. Farmers are not taking the advantage of this day as they should. More stock should be here and more of other various articles should be sold here. Bring on whatever you have to sell and offer it. See how quickly you can dispose of it.

Mothers' Club will serve oysters, sandwiches, coffee etc. on the ground.

The Gas Situation

Clay City can get natural gas if the citizens of the town want it bad enough. That we need it goes without saying for we cannot get any coal, and when the time comes to get it it will cost, we are informed, \$10.00 per ton. Then we think we need gas. All there is to getting gas in a few weeks is to put up the necessary cost to lay the pipe line and buy two pressure regulators. The estimated total cost is \$3,000. A stock company should be formed at once and the mains laid before cold weather strikes us in earnest.

Ready For Fall Planting

H. F. Hillenmeyer & Sons, Kentucky's leading nurserymen, located at Lexington, have sounded the fall warning "time to get fruit trees and shrubs." Hillenmeyer handles only the best in all kinds of nursery stock all of which is acclimated to Kentucky and its soil where it is grown. This means more than most people think. Anyway, every body needs trees and Hillenmeyer has them at correct prices. Their catalog this fall is a beauty. Its free for the asking.

Drouth Broken

A good rain fell Saturday night and still another one fell Tuesday morning completely breaking the drouth that has prevailed for several weeks. Stock water had become very scarce and pastures had dried up. With rain a better feeling in the live stock market is expected.

Oyster Supper

The Mothers' Club will give an oyster supper Saturday night next door to James Bloom's confectionery. Everybody invited to come.

Mrs. T. G. White has purchased four vacant lots opposite her splendid property from Edmon Burgher for \$350.

Meat Market

I get a regular supply of fresh meats each Wednesday. My headquarters are at Robbins' store and I will make every reasonable effort to supply you with quality meats at a fair price. I am a home man, you need no introduction to me. O. H. Mackey.

Honor Roll of School

We have been favored by the faculty of the Clay City Graded and High Schools with a complete list of the honor students of the Clay City Schools, as follows:

In High School: Frank Mize, Lucille Newkirk, Clarence Waldron, Inthy Gillis, Mae Briscoe. 1st grade, B. Elizabeth White, Louise Stewart, Bethel Neal.

1st grade, A. Ruth McGuire, Hope Mountz, Ira Hall, Montford Mountz, Rexford Robinson, Clyde Townsend.

2nd grade, Marguerite Newell, Fannie May Withers, Charles Mearns, Hjalmer Mountz, Justice Portwood.

3rd grade, Loreta Stewart, Laura Bell Withers, Volney Townsend, Gracie White, Louise Mountz, Cecil Piersall, Taulbee Mountz, James McKintosh, Virginia Shimfessel, Anna Belle Kimbrell, Lida Phillips, Eula Ware, Eleanor Holmes, Gertrude Hall.

4th grade, Duluth Sparks, Ruth Mountz, Opal Bashaw, Viola Stewart, Mattie Piersall.

5th grade, Johnnie McKinney, Geo. Ware Jr., Lonnie Wells, Walter McGuire, Verna Chapman, Thelma Armour, Hoyt Wright.

6th grade, Mattie Woolery.

These pupils are A Grade students in scholarship. We do not count the deportment in this.

Well No. 3 Drilled in

By Profit Oil Company

Profit Oil Company has drilled in well No. 3 on the J. A. Rogers lease. The showing is fine. Drilled one foot in the sand Thursday and let it stand till Friday morning and it had filled up 125 feet. Two feet more were drilled and in 30 minutes there were 300 feet of oil and no water. No attempt to say what it will pump as there was lots of gas. No further stock will be sold by the Company.

Blank Well

The gas well drilled on the Ware place a short distance beyond Virden proves to be a blank hole. It will be shut in hopes that it may yet prove productive. This indicates, it is claimed, that the field must run this way. Here's hoping it does.

Frost Imminent

Indications are that a killing frost will visit us tonight. The average date for killing frost is October 20th in Kentucky but it looks now like it will strike us this year on the 13th. It will be remembered that three years ago we had no frost until November 6th.

Buys More Property

F. G. Conlee has purchased of Sid Townsend his house and land opposite Coleman Hall's place across the river on the Stanton road at \$1,000.

Apple Gathering Time

It is time to gather winter apples, where there are any to gather. In some locations there were never more, while in other sections there is no fruit at all.

Personal Paragraphs

Wm. Bashaw was at Furnace three days this week on business.

Mrs. George Derickson, of Rosslyn, visited her daughters, Mesdames Maymie and Daisy Ewen at this place and on Morris creek Monday.

Most of the fodder is in the shock around here and we begin to think that the frost would be on the pumpkin, but it was not and was glad of it at this time. Now that fall work is most off with the farmers, we hope they have some sweet rest at home reading their Holy Volume.

Farm Work

Since the rain farmers are busy finishing cutting their corn, making their sorghum and sowing small grain. There should be more small grain sown in this county than there usually is and now is the time to sow it.

No Railroad Talk Lately

A few months ago there was much talk of a new railroad spur line being run from Argyle to Pilot Knob to reach the line and banks there. The talk seems to have died away and the road not built.

Marketing Chestnuts

H. B. Barnes was in town recently marketing the finest chestnuts we have seen for quite a number of years. He readily sold all he had and could have sold many more.

Sells Property

F. G. Conlee sold to Edmon Burgher the old mill house property near the old forge crossing for \$1,500. Possession given.

Joe Mountz reports the sale of new Ford touring cars to J. H. O'Rear and John Marcum. Also a used Ford to Frank Goodwin.

Gifts. All present had a delightful time.

Judge and Mrs. Mann spent several days last week in Carlisle where Judge saw many friends of his childhood days, and attended the centennial at the Christian church. They spent Saturday in Lexington shopping

Mrs. Vanderpool, of —, is visiting her daughter, Mrs. Jesse Townsend and attending the protracted meeting which is being held here by the Rev. Willie Brewer and Bro. Golden.

Mr. and Mrs. Burris, of Camp-ton Junction, moved to Stanton last Monday in order to put their son, Ola, in school. Miss Golda Day and her father, Floyd Day, took charge of the store of which Mr. Burris was manager.

Work is to begin on the pike immediately both in Powell and Wolfe counties. Contractors have been here and selected a location for camps on Olar branch. Most of the work will be the grade up Olar branch to Wolfe county line.

Mrs. J. A. Bowen visited her sister, Mrs. Rupert Derickson, of Rosslyn, last Friday and a very enjoyable day was spent. Among those present were: Mrs. Emma Tipton Garrison, of Illinois, and several of the relatives whose names we failed to get. A beautiful dinner and supper was very much enjoyed by those present.

Quite Different Now

The first oil well in the United States was drilled in 1859 and yielded about 25 barrels a day. The production of the country during August of this year was at the rate of 1,498,887 barrels a day.

Entire Family Had "Flu"

"Keep right on using Foley's Honey and Tar. It will give quick relief," said the doctor, when the entire family had the "flu." Never saw anything so good," writes Mrs. A. B. Griffith, Andrews, Ind. For coughs, colds, croup, throat, chest or bronchial trouble use Foley's Honey and Tar. Sold everywhere.

BOWEN.

Cliff Holmes, of Gray's Branch, was in the city Saturday night.

David Howell, the champion apple peddler was here last week.

D. S. Townsend, the champion horse jockey, was in town Saturday.

Mrs. Sarah Holmes was the guest of her parents at Genet one day last week.

Elmer White, of Stanton, was the guest of his brother, R. H. White, Sunday.

Mrs. R. L. Stamper and Mrs. Jas. Holman were the guests of Mrs. Brack Baker last Sunday.

As the leaves have turned to a rustic brown and the Katy did has ceased his nightly jazz is a sign that Mr. Jack frost is near.

Coin Bowen, tax commissioner and his deputy are riding the red brush. You had better go to hole if you don't want to give in old Nero.

Jas. Oaks with umbrella in hand was seen to board the North bound train here Sunday morning, as it seems headed for parts unknown.

A white crested jay-hawker lit on top of a telephone pole and said Whew! I hear a queer noise like a gritter running away, whereupon a yellow hammer approached him and said; not so, my brother, that's Pard's car started up again.

The Hon. V. C. Martin, of Genet, will leave shortly for Wise county, Va., going via the auto way. He will drive that Buick six at a rate of speed that will surpass any in the auto history, stopping at Georgetown only long enough to take aboard the blooming rose of Texas, who is expected to play an important part on the trip. Good-by, Uncle Van.

Morris Creek

A good rain visited us Saturday night.

Corn cutting and sorghum making is the order of the day.

Mrs. Luther Roberts, of Newport, is visiting home folks this week.

Mr. and Mrs. N. D. Wireman, of Rosslyn, attended church here Sunday.

Mrs. W. M. Neal and Mrs. Bun Martin were the Sunday guests of Mrs. Armedia Dunaway.

W. D. McCoy, of Sardis, Miss., visited relatives and friends here the latter part of last week.

Mr. and Mrs. Buell Abney, of Clay City, visited the latter's parents, Mr. and Mrs. J. A. Rogers Saturday and Sunday.

The Roger's Chapel school is preparing for an entertainment to be held Xmas. All patrons are invited and urged to take part.

The pessimists of this neighborhood have changed their tune since the recent rains and everybody seems to be in good spirits.

Our good town has been blessed with the presence of Chas. Upchurch and family. We never tire of having good people come into our midst.

In spite of the cool weather and recent rains, there was a large crowd at church Sunday. Revs. Thos. McCoy and Ira G. Proffitt delivered a good sermon each.

Prof. J. A. Rogers, we are informed, will begin a singing school at Roger's Chapel school house next Sunday, the 15th. Everybody invited.

We wish to express our admiration for one or some of Genet's honored citizen or citizens for his or their efforts and loyalty in helping to raise funds for the benefit of their local ball team. The members of the "Roger's Chapel Quarter" has willingly consented to join in the program, providing 10% of said funds will be contributed for the benefit of the Roger's Chapel "Horse Shoe Pitchers League" in replacing worn out shoes, trousers and other necessary apparatus.

"Built Me Up"

"I USED Cardui for years and it did me more good than any medicine I ever used," writes Mrs. M. C. Ragsdale, of Fort Towson, Okla. "I used to suffer with womanly trouble that weakened me until I was a mere shadow, nervous, and could not sleep. I did not feel like I could live.

"It seemed that nothing helped me till I heard of Cardui and began to use it. It

strengthened me and, as 'twas recommended to do, it regulated and built me up till I was like another woman."

If you are weak, run-down and feel that you need a tonic, take Cardui, the woman's tonic, the tonic about which you have always heard, the tonic that helps weak women regain their strength.

Cardui acts on the womanly system and helps relieve pain and discomfort due to female ailments.

Try Cardui, today, for your trouble.

Little Miss Vina Adams is some better at this writing.

V. C. Martin visited his daughter, Mrs. Weed Adams, Monday.

George Crabtree has moved his molasses mill to Green Adams' farm.

It has been reported to our office that Mr. J. P. Crabtree has pneumonia fever.

Andy Hanks is back in our midst. Andy is the father of all jokes and riddles.

B. F. Hatton passed through this place Monday enroute for Gritter's Ridge.

Mrs. Rosa Gilbert, Misses Mary B. and Roxie Adams were visiting on Cat Creek Monday.

Marion Hatton has gone to Thornton, Ky., where he is engaged in the coal mines.

We have sure had a nice fall, but look out now the pretty fall flowers are bowing their heads low. We hope to live and see their pretty blooms in 1923. For all is well that ends well.

Quite an Increase

The production of crude petroleum in the United States in 1906 was 126,493,936 barrels. The country's oil refineries of today could handle that quantity in about 60 days.

around here. Also Roy James, of Rosslyn, was in this section last Saturday and Sunday. It seems as if Roy has some attraction at the same place.

Andy Hanks returned last Saturday from "Possum" Holler, where he has employed for the past two months in a tooth pick factory. Andy says work is like play there. He says that all he does is to rive the timber and the other man does the work.

Mr. and Mrs. J. M. Mullens entertained as their guests Sunday the following: Mr. and Mrs. Geo. Crabtree Jr. and children, Mr. and Mrs. H. S. Martin, Mrs. Levi Birch and son, Seldon, Mrs. Susan Hatton and two children, Dexter and Mande, Mrs. Geo. Birch and daughter, Miss Ida. All report an enjoyable time.

Kidney Trouble Ten Years

"I had kidney trouble for ten years," writes J. T. Osburn, Lucasville, Ohio. "Tried all kinds of kidney remedies but got no relief until I used Foley Kidney Pills." Backache, rheumatic pains, dizziness and blurred vision are symptoms of kidney trouble. Foley Kidney Pills quickly relieve.—Sold everywhere.

A Bit of Mention

About 123,000 tank cars are used in the transportation of oil in this country. Of these about 8,000 are railroad property, the remainder being owned by those engaged in the oil industry.

There are more people arrested in New York every day for breaking traffic ordinances than there was population in that city 150 years ago.

Only sixteen years ago kerosene was the petroleum product

in most demand, and gasoline, which is now the chief commercial product of crude oil, was difficult to dispose of.

Coated or Furred Tongue

A coated tongue indicates digestive disorders. If neglected will cause nervousness, sick headache, bad breath, biliousness, gas and constipation. Correct these disorders with Foley Cathartic Tablets. "Feel fine and have no more trouble since taking Foley Cathartic tablets," writes Miss A. Walker, Dublin, Va. Sold everywhere.

Everywhere You Hear It ~
**Firestone Builds
the Finest Cords**

HARDLY a day goes by but some one goes out of his way to tell us that Firestone Gum-Dipped Cords are the best tires built.

Cords—as only Firestone builds them—will give you many extra thousands of miles of wear. And for fall and winter driving there's nothing like them. The strong, resilient Firestone carcass of gum-dipped cords, can stand the hardest punishment.

With the reputation Firestone Cords hold, it is not surprising that so many motorists in this community have made them standard equipment. The demand for Firestone Cords in the last few months has broken all records.

Prices were never so low as they are now. Perhaps never again can mileage be sold so cheaply.

Decide now that you will get Most Miles per Dollar. Drop in any time and let's talk tires.
